### Resources

We have been able to source good quality skipping ropes at a discounted price which we have been able to pass on to you, should your school want to purchase additional ropes to take part in the skipping challenge.

Sport Premium Funding can be used to buy skipping ropes and after conversations with many of you, there is some underspend from 2019/2020 to use before 31<sup>st</sup> March 2021, along with this year's funding so this could be an ideal opportunity to allocate some of those funds.

Details of the resources available are over leaf. If you would like to place an order please complete the form and return to us by **Monday 22nd March**.
